The North Alabama Professionals Chapter of the National Society of Black Engineers (NAL NSBE Professionals) is hosting its Twenty-Fifth Annual Scholarship Banquet on Thursday, March 8, 2018. The National Society of Black Engineers is non-profit, tax exempt organization under section 501(c) (3) of the Internal Revenue Code.

Secretary
Zaynah Harbin

We would like to take this opportunity to thank you for your support. Generosity such as yours has allowed us to send over 70 students within the Madison/Huntsville area to U.S. Space Camp and NSBE Robotics Camp. Additionally, we have been able to provide scholarships for more than 60 high school and college students pursuing degrees in a Science, Technology, Engineering, or Math disciplines.

Treasurer
Melvin Felton

College Initiative
Kylie Nash, Ph.D.

Aside from our scholarship programs, NAL NSBE Professionals continues to remain extremely busy in the community by participating in partnerships with several elementary schools, middle schools, high schools and colleges. We offer programs and services that include Scholarship Endowment, Resume Workshops, our annual 5K STEM Run and NSBE Golf Tournament, in addition to our Summer Robotics Camps. Some additional activities we promote include tutoring at elementary, junior high, high school and colleges; providing network and support programs for universities and colleges (Career Skills Seminars, mentoring, leadership training, etc.); introducing middle and high school students to science and engineering through our local NSBE, Jr. Chapter; promoting STEM disciplines to North Alabama students by helping with various camps, such as Cyber Security Camps and Girls in Science & Engineering Day.

Our goal for the Twenty-Fifth Annual Scholarship Program is to provide 25 scholarships and awards to deserving North Alabama students.

Scholarship
Melissa Jackson

- Creative Minds Poster contest for 5th grade students encourages academic excellence at an early age
- U. S. Space Academy Scholarship sends students in grades 6th-8th to Space Camp for a week
- High School STEM Essay Contest provides a \$125 cash award to High School students who write an essay that focuses on their STEM-related community services and activities
- The 2-year College Scholarship provides a \$500 scholarship to high school seniors pursuing technology related degrees
- Timothy Briggs Leadership Scholarship awards \$2500 to high school seniors who exemplify community leadership and are pursuing a STEM degree

NAL NSBE Professionals encourages youth in their pursuit of careers in engineering and the applied sciences by striving to reinforce the positive essence of minorities in our community and increases minority participation and advancement in these areas. However, our scholarships are for ANY student with the desire to learn more about STEM disciplines. Much of what we desire to accomplish cannot be done without your financial support. Please consider sponsoring one or more scholarships, which will be awarded at our 25th Scholarship Banquet, due to occur Thursday, March 8, 2018.

We ask that you complete the enclosed form identifying your sponsorship level and return it to us as soon as possible. This will ensure that we support the maximum number of worthy students and continue to positively impact our community. If further information is needed, please contact Melissa Jackson at (256) 468-8867 or email scholarship@nsbe-northalabamaae.com.

Sincerely,

Ebonee A. Walker, Ph.D.
